**Anderson Excavating Company and International Union of Operating Engineers Local 571. Case 14-CA-156092**

April 20, 2017

**DECISION AND ORDER**

BY ACTING CHAIRMAN MISCIMARRA AND  
MEMBERS PEARCE AND MCFERRAN

On August 19, 2016, Administrative Law Judge Arthur J. Amchan issued the attached decision. The Respondent filed exceptions and a supporting brief, and the General Counsel filed an answering brief.

The National Labor Relations Board has considered the decision and the record in light of the exceptions<sup>1</sup> and briefs and has decided to affirm the judge's rulings, findings,<sup>2</sup> and conclusions and to adopt the recommended Order as modified and set forth in full below.<sup>3</sup>

---

<sup>1</sup> No party excepts to the judge's finding that the Respondent and the Union have a Sec. 9(a) bargaining relationship. Nevertheless, Acting Chairman Miscimarra disclaims the judge's finding that language contained in the parties' 1996 Recognition Agreement establishes that Sec. 9(a), rather than Sec. 8(f), governs the parties' bargaining relationship. The judge's finding in this regard was gratuitous because the Respondent's withdrawal of recognition and failure to abide by the terms of the 2014–2018 agreement, which occurred during the term of that agreement, were unlawful even if the parties' bargaining relationship was governed by Sec. 8(f). See *John Deklewa & Sons*, 282 NLRB 1375, 1385–1387 (1987) (holding that, during the term of an 8(f) agreement, employers are not free to repudiate the agreement or to withdraw recognition unless unit employees vote against union representation in a Board-conducted election), enfd. sub nom. *Iron Workers Local 3 v. NLRB*, 843 F.2d 770 (3d Cir. 1988), cert. denied 488 U.S. 889 (1988). Furthermore, Acting Chairman Miscimarra observes that the judge's dictum is incorrect. The 1996 Recognition Agreement recites that the Union “has submitted proof and the Employer is satisfied that the Union represents a majority of the Employer's employees . . .” (emphasis added). As explained in *Staunton Fuel*, 335 NLRB 717, 720 (2001), “there is a significant difference between a contractual statement that a union ‘represents’ a majority of unit employees—which would be accurate under either an 8(f) or a 9(a) agreement—and a statement to the effect that, for example, the union ‘has the support’ or ‘has the authorization’ of a majority to represent them.” Acting Chairman Miscimarra disagrees with the holding of *Staunton Fuel* that a Sec. 9(a) bargaining relationship may be established by contract language without more, see, e.g., *King's Fire Protection, Inc.*, 362 NLRB No. 129, slip op. at 3–6 (2015) (Member Miscimarra, dissenting in part), but even under *Staunton Fuel*, the language of the 1996 Recognition Agreement fails to establish 9(a) status.

<sup>2</sup> The judge found that the Respondent's owner, Virgil Anderson, signed the 2004–2006 Heavy Highway Agreement, but it was actually signed on behalf of the Respondent by its attorney. The judge's finding did not affect his analysis and conclusions because the Respondent does not dispute that it formally executed the 2004–2006 Heavy Highway Agreement.

**AMENDED REMEDY**

Having found that the Respondent engaged in certain unfair labor practices, we shall order it to cease and desist and to take certain affirmative action designed to effectuate the policies of the Act. Specifically, we amend the judge's remedy in the following respects. We shall require the Respondent to recognize the Union as the exclusive collective-bargaining representative of the unit employees, and to honor and comply with the terms and conditions of the 2014–2018 Heavy Highway Agreement. If the repudiation of the 2014–2018 Heavy Highway Agreement resulted in any loss of earnings for unit employees, we shall require the Respondent to make them whole. Backpay shall be computed in accordance with *Ogle Protection Service*, 183 NLRB 682 (1970), enfd. 444 F.2d 502 (6th Cir. 1971), with interest at the rate prescribed in *New Horizons*, 283 NLRB 1173 (1987), compounded daily as prescribed in *Kentucky River Medical Center*, 356 NLRB 6 (2010).<sup>4</sup> We shall further require the Respondent to make all contributions to the Union's fringe benefit funds, as required by the 2014–2018 Heavy Highway Agreement, that it has failed to make since May 20, 2015, including any additional amounts due the funds in accordance with *Merryweather Optical Co.*, 240 NLRB 1213, 1216 fn. 7 (1979). Moreover, we shall require the Respondent to reimburse the unit employees for any expenses resulting from its failure to make the required contributions, as set forth in *Kraft*

---

The Respondent argues that the judge erred by relying, in part, on Virgil and Virginia Anderson's depositions from a separate proceeding because such reliance is precluded by the “litigation privilege.” We reject that argument, especially because the Respondent stipulated to the admission of Virgil Anderson's deposition into the record and offered Virginia Anderson's deposition into the record, both without any limitations. However, even without relying on the depositions, the record establishes that the Respondent violated Sec. 8(a)(5) by withdrawing recognition from the Union and by repudiating the terms of the 2014–2018 Heavy Highway Agreement. Acting Chairman Miscimarra does not reach or pass on whether, as the Respondent contends, a “litigation privilege” precludes the General Counsel from relying on the Andersons' depositions to establish the unfair labor practices at issue here, since he agrees with his colleagues that other evidence in the record establishes that the Respondent unlawfully withdrew recognition from the Union and failed to adhere to the parties' collective-bargaining agreement.

<sup>3</sup> We shall amend the remedy and modify the judge's recommended Order to conform to his unfair labor practice findings and to the Board's standard remedial language. We shall substitute a new notice to conform to the Order as modified.

<sup>4</sup> The judge inadvertently stated that backpay shall be computed in accordance with *F. W. Woolworth Co.*, 90 NLRB 289 (1950). The *Ogle Protection* formula applies where, as here, the Board is remedying “a violation of the Act which does not involve cessation of employment status or interim earnings that would in the course of time reduce backpay.” *Ogle Protection Service*, supra at 683; see also *Pepsi America, Inc.*, 339 NLRB 986, 986 fn. 2 (2003).

*Plumbing & Heating*, 252 NLRB 891, 891 fn. 2 (1980), enfd. mem. 661 F.2d 940 (9th Cir. 1981).<sup>5</sup> Such amounts should be computed in the manner set forth in *Ogle Protection Service*, supra, with interest at the rate prescribed in *New Horizons*, supra, compounded daily as prescribed in *Kentucky River Medical Center*, supra. Additionally, we shall require the Respondent to reimburse the Union for any dues that, following the unlawful withdrawal of recognition and repudiation of the 2014–2018 Heavy Highway Agreement, it failed to deduct from wages and remit on behalf of employees who executed dues authorizations pursuant to that agreement prior to or during the period of the Respondent’s unlawful conduct, with interest at the rate prescribed in *New Horizons*, supra, compounded daily as prescribed in *Kentucky River Medical Center*, supra, and without recouping the money owed for past dues from those employees.<sup>6</sup> Finally, we shall require the Respondent to compensate affected employees for the adverse tax consequences, if any, of receiving lump-sum backpay awards, and to file with the Regional Director for Region 14, within 21 days of the date the amount of backpay is fixed, either by agreement or Board order, a report allocating the backpay awards to the appropriate calendar years for each employee. *AdvoServ of New Jersey, Inc.*, 363 NLRB No. 143 (2016).

#### ORDER<sup>7</sup>

The National Labor Relations Board orders that the Respondent, Anderson Excavating Company, Omaha,

<sup>5</sup> To the extent that an employee has made personal contributions to a fund that are accepted by the fund in lieu of the employer’s delinquent contributions during the period of the delinquency, the Respondent will reimburse the employee, but the amount of such reimbursement will constitute a setoff to the amount that the Respondent otherwise owes the fund.

<sup>6</sup> The reimbursement requirement will be offset by the amount of any dues that the Union collected over the compliance period from employees covered by the dues payment order.

We reject our colleague’s view that the bar on recoupment by the Respondent is impermissibly “punitive,” for the reasons stated in *Alamo Rent-A-Car*, 362 NLRB No. 135, slip op. at 1 fn. 1 (2015), enforced sub nom. *Enterprise Leasing Co. of Fla. v. NLRB*, 831 F.3d 534 (D.C. Cir. 2016).

<sup>7</sup> Paragraph 2(e) of the Order requires the Respondent to “[r]eimburse the Union for all dues that, following the unlawful withdrawal of recognition and repudiation of the 2014–2018 Heavy Highway Agreement, it failed to deduct and remit pursuant to the dues-checkoff provision of that agreement.” Acting Chairman Miscimarra agrees with this requirement, but he would permit the Respondent to deduct these dues from unit employees’ wages or otherwise recoup them. The union dues are owed by the employees; the Respondent’s role is purely administrative, deducting the dues from employees’ pay and remitting them to the Union. The Board’s powers under Sec. 10(c) of the Act are remedial, not punitive, and requiring the Respondent to remit the dues without recouping them from employees is punitive. See *Alamo Rent-A-Car*, supra, slip op. at 7–8 (Member Miscimarra, concurring in part and dissenting in part).

Nebraska, its officers, agents, successors, and assigns, shall

1. Cease and desist from

(a) Unilaterally refusing to make fringe benefit fund contributions and dues remittances provided for in collective-bargaining agreements with International Union of Operating Engineers Local 571 (the Union) to which it is or has been bound, including the 2014–2018 Heavy Highway Agreement.

(b) Unlawfully withdrawing recognition from the Union as the collective-bargaining representative of the unit of its employees covered by article 1 of the 2014–2018 Heavy Highway Agreement.

(c) Repudiating collective-bargaining agreements with the Union to which it is bound.

(d) In any like or related manner interfering with, restraining, or coercing employees in the exercise of the rights guaranteed them by Section 7 of the Act.

2. Take the following affirmative action necessary to effectuate the policies of the Act.

(a) Recognize the Union as the exclusive collective-bargaining representative of the unit employees.

(b) Honor and comply with the terms and conditions of the 2014–2018 Heavy Highway Agreement.

(c) Make unit employees whole for any loss of earnings and other benefits resulting from the repudiation of the 2014–2018 Heavy Highway Agreement, in the manner prescribed in the amended remedy section of the decision.

(d) Make all contractually required contributions to the Union’s fringe benefit funds that the Respondent has failed to make since May 20, 2015, and reimburse the unit employees, with interest, for any expenses resulting from its failure to make those required payments, in the manner prescribed in the amended remedy section of the decision.

(e) Reimburse the Union for all dues that, following the unlawful withdrawal of recognition and repudiation of the 2014–2018 Heavy Highway Agreement, it failed to deduct and remit pursuant to the dues-checkoff provision of that agreement, in the manner prescribed in the amended remedy section of the decision.

(f) Compensate affected employees for the adverse tax consequences, if any, of receiving lump-sum backpay awards, and file with the Regional Director for Region 14, within 21 days of the date the amount of backpay is fixed, either by agreement or Board order, a report allocating the backpay awards to the appropriate calendar years for each employee.

(g) Preserve and, within 14 days of a request, or such additional time as the Regional Director may allow for good cause shown, provide at a reasonable place desig-

nated by the Board or its agents, all payroll records, social security payment records, timecards, personnel records and reports, and all other records, including an electronic copy of such records if stored in electronic form, necessary to analyze the amount of backpay due under the terms of this Order.

(h) Within 14 days after service by the Region, post at its Omaha, Nebraska facility copies of the attached notice marked "Appendix."<sup>8</sup> Copies of the notice, on forms provided by the Regional Director for Region 14, after being signed by the Respondent's authorized representative, shall be posted by the Respondent and maintained for 60 consecutive days in conspicuous places, including all places where notices to employees are customarily posted. In addition to physical posting of paper notices, notices shall be distributed electronically, such as by email, posting on an intranet or an internet site, and/or other electronic means, if the Respondent customarily communicates with its employees by such means. Reasonable steps shall be taken by the Respondent to ensure that the notices are not altered, defaced, or covered by any other material. If the Respondent has gone out of business or closed the facility involved in these proceedings, the Respondent shall duplicate and mail, at its own expense, a copy of the notice to all current employees and former employees employed by the Respondent at any time since May 20, 2015.

(i) Within 21 days after service by the Region, file with the Regional Director for Region 14 a sworn certification of a responsible official on a form provided by the Region attesting to the steps that the Respondent has taken to comply.

## DECISION

### STATEMENT OF THE CASE

ARTHUR J. AMCHAN, Administrative Law Judge. This case was tried in Council Bluffs, Iowa, from July 5–7, 2016. Local 571 of the International Union of Operating Engineers filed the initial charge in this matter on July 16, 2015, and an amended charge on January 22, 2016. The General Counsel issued the complaint on January 28, 2016.<sup>1</sup>

On the entire record, including my observation of the demeanor of the witnesses, and after considering the brief filed by the General Counsel,<sup>2</sup> I make the following

<sup>1</sup> Respondent appears to argue that par. 6(d) of the complaint is time barred under Sec. 10(b) of the Act. This is the only close issue in this case.

<sup>2</sup> Neither Respondent nor the Charging Party filed a posttrial brief.

## FINDINGS OF FACT

### I. JURISDICTION

Respondent, a corporation, is a construction contractor based in Omaha, Nebraska. It performs in excess of \$50,000 worth of services for Kiewit Corporation. Kiewit is engaged in interstate commerce. Moreover, Respondent performed services in excess of \$50,000 in states other than Nebraska during the 12-month period ending July 31, 2015.<sup>3</sup> Respondent admits, and I find, that it is an employer engaged in commerce within the meaning of Section 2(2), (6), and (7) of the Act. The Union is a labor organization within the meaning of Section 2(5) of the Act.

The General Counsel alleges that Respondent violated Section 8(a)(5) and (1) of the Act by failing to make contractually mandated contributions to the Union’s health and welfare fund, its pension fund and its training fund. He also alleges Respondent violated the Act by failing to remit contractually required union dues. By doing so, and by stating that it had no collective-bargaining agreement with the Union, the General Counsel alleges that Respondent withdrew recognition of the Union and/or unilaterally changed terms and conditions of employment of its represented employees, which are mandatory subjects of bargaining.

### II. ALLEGED UNFAIR LABOR PRACTICES

Virgil Anderson established Respondent in the 1960s. The company has also gone by the name Anderson Excavating and Wrecking Company. The record does not indicate that this difference in names has any legal significance. Somewhere around 2012 or 2013, Virgil Anderson retired and his wife, Virginia Anderson, began operating Respondent’s business.

Respondent has contributed to the union health and welfare fund, its pension fund and its training fund since the 1960s. It has also for years remitted dues of Local 571 members to the Union. Its contributions and remittances had been accompanied by signed reports acknowledging that they were made pursuant to a collective-bargaining agreement.

Anderson Excavating has been a signatory to collective bargaining agreements with the Union for many years—possibly back to the 1960s. For example, on May 30, 1996, it executed the Heavy Highway Agreement with the Union (GC Exh. 12). On May 27, 2004, Virgil Anderson executed the Heavy Highway Agreement for May 1, 2004, to April 30, 2006.

On May 30, 1996, Virgil Anderson and the business manager of Local 571 also executed a document entitled “9A-9C Recognition Agreement.” It provided that:

The Union has submitted proof and the Employer is satisfied that the Union represents a majority of the Employer’s employees in the bargaining unit described in the current collective bargaining agreement between the Union and Employer.

The Employer therefore voluntarily agrees to recognize and does hereby recognize the Union as the exclusive bargaining

<sup>3</sup> Respondent did not deny this factual assertion from the complaint in its answer. It argued that it was irrelevant and immaterial. I deem that allegation to be admitted.

agent for all employees within the contractually described bargaining unit on all present and future job sites with the jurisdiction of the Union, unless and until such time as the Union loses its status as the employees' exclusive representative as a result of an NLRB election requested by the employees. The Employer agrees that it will not request an NLRB election and expressly waives any right it may have to do so.

(GC Exh. 12, p. 12.)

The 2004–2006 Heavy Highway Agreement has been superseded by collective-bargaining agreements covering the periods 2008–2010, 2010–2012, 2012–2014, and 2014–2018. For each of these contracts, the Union has bargained with a group of the large construction employers in the Omaha area. After ratification of these contracts, the Union has sent a 1-page document to all signatories to complete. Anderson Excavating has never signed or returned any of these documents since 2004. On the other hand, Respondent has never explicitly refused to sign the agreement or, at least until 2014, indicated that it was not bound by the terms and conditions of these agreements.

To the contrary, since the expiration of the 2004–06 collective bargaining agreement, Respondent has faithfully complied with the terms and conditions of each subsequent agreement with exceptions noted later. It has for instance dutifully made the required payments to the Contractors, Laborers, Teamsters and Engineers Health and Welfare (CLT&E) Fund, the CLT&E Pension Fund and the Union's Training Fund.<sup>4</sup> It has also remitted the dues of its employees to the Union as required by each subsequent contract in the amounts required by each subsequent contract. Respondent has also filled out and submitted all the reports that are required to accompany the fund contributions and the dues remittances. These reports include an acknowledgement that they are being submitted pursuant to a collective-bargaining agreement.

The CLT and E funds conduct periodic audits of signatory contractors. These are conducted either by employees of the trust fund or Deboer and Associates, a public accounting firm. On August 16, 2010, Deboer audited Respondent's payroll records and found that Respondent owed the trust funds \$2,612.14. Respondent remitted this amount to the trust fund. (GC Exh. 66.) Deboer conducted another audit in late 2013, finding Respondent \$83,000 in arrears (GC Exh. 67).

On March 25, 2014, the Trustees of the Health and Welfare Fund, the Trustees of the Pension Fund and Local 571 filed a complaint against Respondent under the Labor Management Relations Act. The specifics of the complaint, Respondent Exhibit 2 and Respondent's answer, Respondent Exhibit 3 are important is assessing Respondent's argument that the instant action is barred by Section 10(b) of the Act.

Attached to and referenced in the complaint was the 2004–2006 Heavy Highway Agreement, the last collective-bargaining agreement that Respondent executed. The complaint in paragraph 9, alleged that Respondent refused to allow the Trustees to conduct required audits of the company payroll records. The

<sup>4</sup> CLT & E is actually two trusts, one for health and welfare, the other for pensions.

complaint asks the court to order Anderson to allow a complete audit of company of payroll records and to pay amounts due the trusts and the Union plus costs and attorneys' fees.

Respondent's answer filed on May 16, 2014, stated that it reported hours and made employer contributions to the Welfare Plan and the Pension Plan. It otherwise denied the allegations of complaint paragraph 9. The Second Affirmative Defense in the answer stated that the collective-bargaining agreement upon which the action was based terminated on April 30, 2006. The Third Affirmative Defense was that Anderson was not a party to the Trust Agreements and was not bound by them. Nevertheless, Respondent continued to make payments to the CLT & E funds, the training funds and to remit union dues in amounts required by the 2012–2014 and 2014–2018 Heavy Highway Agreements.<sup>5</sup>

The depositions of Virgil and Virginia Anderson and the filing of the charges giving rise to this matter

On May 20, 2015, Virgil and Virginia Anderson gave depositions in the aforementioned lawsuit. Both denied that they had any collective-bargaining agreements with the Union and stated that they were making payments to the union funds and remitting union dues pursuant to some unspecified and unwritten agreement with their employees. There is no evidence of such an agreement between Respondent and its employees.

After giving these depositions, Respondent ceased making payments to the funds and ceased remitting dues for several months, between May and November 2015. When Respondent resumed making these payments and remittances, the Union and Trust Funds initially rejected them because they were not accompanied by signed reports. Respondent then signed the reports and resubmitted them. The payments were then accepted.<sup>6</sup>

### *Analysis*

#### The 10(b) issue

Respondent contends that the complaint is time barred because the Union was on notice that it was withdrawing recognition as of May 2014 when it filed its Answer to the Union's District Court complaint. I reject this contention.

The 6-month limitations period in Section 10(b) begins to run only when a party has clear and unequivocal notice of a violation of the Act. Anderson's conduct in this case was ambiguous and thus failed to give the Union the requisite notice. One could construe the May 2014 Answer and repudiation of all collective bargaining agreements with the Union as withdrawal of recognition. However, Anderson continued to make all the requisite payments and remittances to the Union and the

<sup>5</sup> The lawsuit under the Labor Management Relations Act is still pending.

<sup>6</sup> The CLT & E trust funds wrote to Respondent in June 2015, stating it could not accept contributions from a company claiming to be a nonsignatory contractor. The trust and the Unions subsequently accepted contributions and remittances due from Respondent. I assume they did so on the theory that Respondent is a signatory contractor, regardless of what the Andersons stated in their depositions. Neither the trusts, the Union nor Respondent have been entirely consistent in this matter.

Trust Funds until May 2015. Thus, I find that the Union did not have clear and unequivocal notice of the Anderson's withdrawal of recognition and repudiation of its collective bargaining obligations until May 2015. Thus, the Union's July 16, 2015 unfair labor practice charge is not barred by Section 10(b), *CAB Associates*, 340 NLRB 1391, 1392 (2003).

Respondent violated Section 8(a)(5) and (1) in withdrawing recognition from the Union and repudiating its collective-bargaining obligations

In the construction industry, there is a rebuttable presumption that the relationship between an employer and its unions is governed by Section 8(f) of the Act. However, a construction union may acquire the status of the majority bargaining representative under Section 9(a) of the Act through agreement between the union and an employer.<sup>7</sup> For a construction union to acquire 9(a) status, there must be a written agreement that the union requested recognition as the majority representative, that the employer recognized the union as the majority representative, and the employer's recognition was based on the union's having shown, or having offered to show, an evidentiary basis of its majority support, *Staunton Fuel & Material*, 335 NLRB 717 (2001). The May 1996 9A-9C Recognition Agreement between Respondent and Local 571 satisfies this requirement. Thus, Local 571 is the collective-bargaining representative of a unit of Anderson's employees pursuant to Section 9(a). As a result Anderson is not privileged to withdraw recognition from the Union without a showing that the Union has lost the support of a majority of its employees, *Levitz Furniture Co. of the Pacific*, 333 NLRB 717 (2001). Respondent has made no attempt to meet the *Levitz* burden. Thus, its attempt to withdraw recognition from the Union violates Section 8(a)(5) and (1) of the Act.

Respondent is bound by the 2014–2018 Heavy Highway Agreement

Respondent has not signed a collective-bargaining agreement with the Union since 2004. However, it has adopted the terms of all subsequent Heavy Highway Agreements, including the 2014–2018 Agreement, by its conduct, *Asbestos Workers Local 84 (DST Insulation, Inc.)*, 351 NLRB 19 (2007). For example, for 9 months after the effective date of the 2014–2018 agreement, Respondent abided by all its terms.

<sup>7</sup> The distinction between a union's representative status under Sec. 8(f) and under Sec. 9(a) is significant because an 8(f) relationship may be terminated by either the union or the employer upon the expiration of their collective-bargaining agreement. *John Deklewa & Sons*, 282 NLRB 1375, 1386–1387 (1987), *enfd.* sub nom. *Iron Workers Local 3 v. NLRB*, 843 F.2d 770 (3d Cir. 1988). By contrast, a 9(a) relationship (and the associated obligation to bargain) continues after contract expiration, unless and until the union is shown to have lost majority support. *Levitz Furniture Co.*, 333 NLRB 717 (2001). Similarly, an 8(f) contract does not bar a representation petition under Section 9, while a contract made with a 9(a) representative does bar such a petition. *Deklewa*, *supra* at 1387.

Respondent violated Section 8(a)(5) and (1) by repudiating the terms and conditions of the 2014–2018 collective-bargaining agreement.

An employer acts in derogation of its bargaining obligation under Section 8(c) of the Act, and thereby violates Section 8(a)(5) of the Act, when, during the life of a collective-bargaining agreement, it unilaterally modifies or otherwise repudiates terms and conditions of employment contained in the agreement, *Morelli Construction Co.*, 240 NLRB 1190 (1979). Thus, by refusing to make the payments required by the 2014–2018 Heavy Highway Agreement, and stating that it is not bound by that agreement, Respondent violated Section 8(a)(5).

#### REMEDY

Having found that the Respondent has engaged in certain unfair labor practices, I shall order it to cease and desist therefrom and to take certain affirmative action designed to effectuate the policies of the Act.

Backpay, if owed, shall be computed in accordance with *F. W. Woolworth Co.*, 90 NLRB 289 (1950), with interest at the rate prescribed in *New Horizons*, 283 NLRB 1173 (1987), compounded daily as prescribed in *Kentucky River Medical Center*, 356 NLRB 6 (2010).

On these findings of fact and conclusions of law and on the entire record, I issue the following recommended<sup>8</sup>

#### ORDER

The Respondent, Anderson Excavating Company, Omaha, Nebraska, its officers, agents, successors, and assigns, shall

1. Cease and desist from

(a) Unilaterally refusing to make fringe benefit fund payments and dues remittances provided for in collective-bargaining agreements with International Operating Engineers Local 571 to which Respondent is or has been bound, including the 2014–2018 Heavy Highway Agreement.

(b) In any manner withdrawing recognition from Local 571 as the collective-bargaining representative of a unit of its employees without a showing of a loss of majority support.

(c) In any manner repudiating collective-bargaining agreements with Local 571 to which it is bound.

(d) In any like or related manner restraining or coercing employees in the exercise of the rights guaranteed them by Section 7 of the Act.
